- 22% of victims were younger than age 12 when they were first raped, and 32% were between the ages of 12 and 17.

- Hostile environment harassment
- Sexual assault
- Dating/domestic violence
- Stalking

Title IX Definition of Sexual Harassment

Defines conduct “on the basis of sex” and includes:

- Quid pro quo - An employee of the school conditioning the provision of an aid, benefit, or service of the recipient on an individual’s participation in unwelcome sexual conduct;
- Hostile environment - Unwelcome conduct determined by a reasonable person to be so **severe, pervasive, and objectively offensive** that it effectively denies a person equal access to the school’s education program or activity;

The definition includes:

- **Sexual Assault** means any sexual act directed against a Complainant without consent. Sexual Assault includes fondling, incest, rape, sexual assault with an object, sodomy, and statutory rape.
- **Dating violence** means violence committed by a person— (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) the length of the relationship. (ii) the type of relationship. (iii) the frequency of interaction between the persons involved in the relationship.

- **Domestic violence** includes felony or misdemeanor crimes committed by a current or former spouse or intimate partner of the victim
 - It includes the use or attempted use of physical abuse or sexual abuse, or a pattern of any other coercive behavior committed to gain or maintain power and control over a victim, including verbal, psychological, economic, or technological abuse that may or may not constitute criminal behavior,
 - By a person who— (A) is a current or former spouse or intimate partner of the victim; (B) is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner; (C) shares a child in common with the victim; or (D) commits acts against a youth or adult victim who is protected from those acts under the family or domestic violence laws of the jurisdiction.

- **Stalking** means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—
 - fear for his or her safety or the safety of others; or
 - suffer substantial emotional distress.

Overview of Grievance Process (GP)

- Respond promptly in a manner that is not deliberately indifferent
- Due process and fundamentally fair procedures to adjudicate the allegations
- Upon notification, supportive measures offered
 - Emergency removal
- Offer of formal process
 - Complainant files or Title IX Coordinator may file
- Both parties receive notice of the allegations
- Both parties participate in investigation and can inspect information gathered
- Separate decision-maker(s)
- Completed in a prompt time-frame
- Retaliation prohibited - define the retaliation complaint process

GP: Jurisdiction Defined

Occurring in the institution's education program or activity

- includes locations, events, or circumstances over which the school exercised substantial control over both the respondent and the context in which the sexual harassment occurred

Against a person in the United States

Mandatory dismissal

- Would not constitute sexual harassment as defined in regulations
- Did not occur in education program or activity
- Did not occur against a person in the U.S.

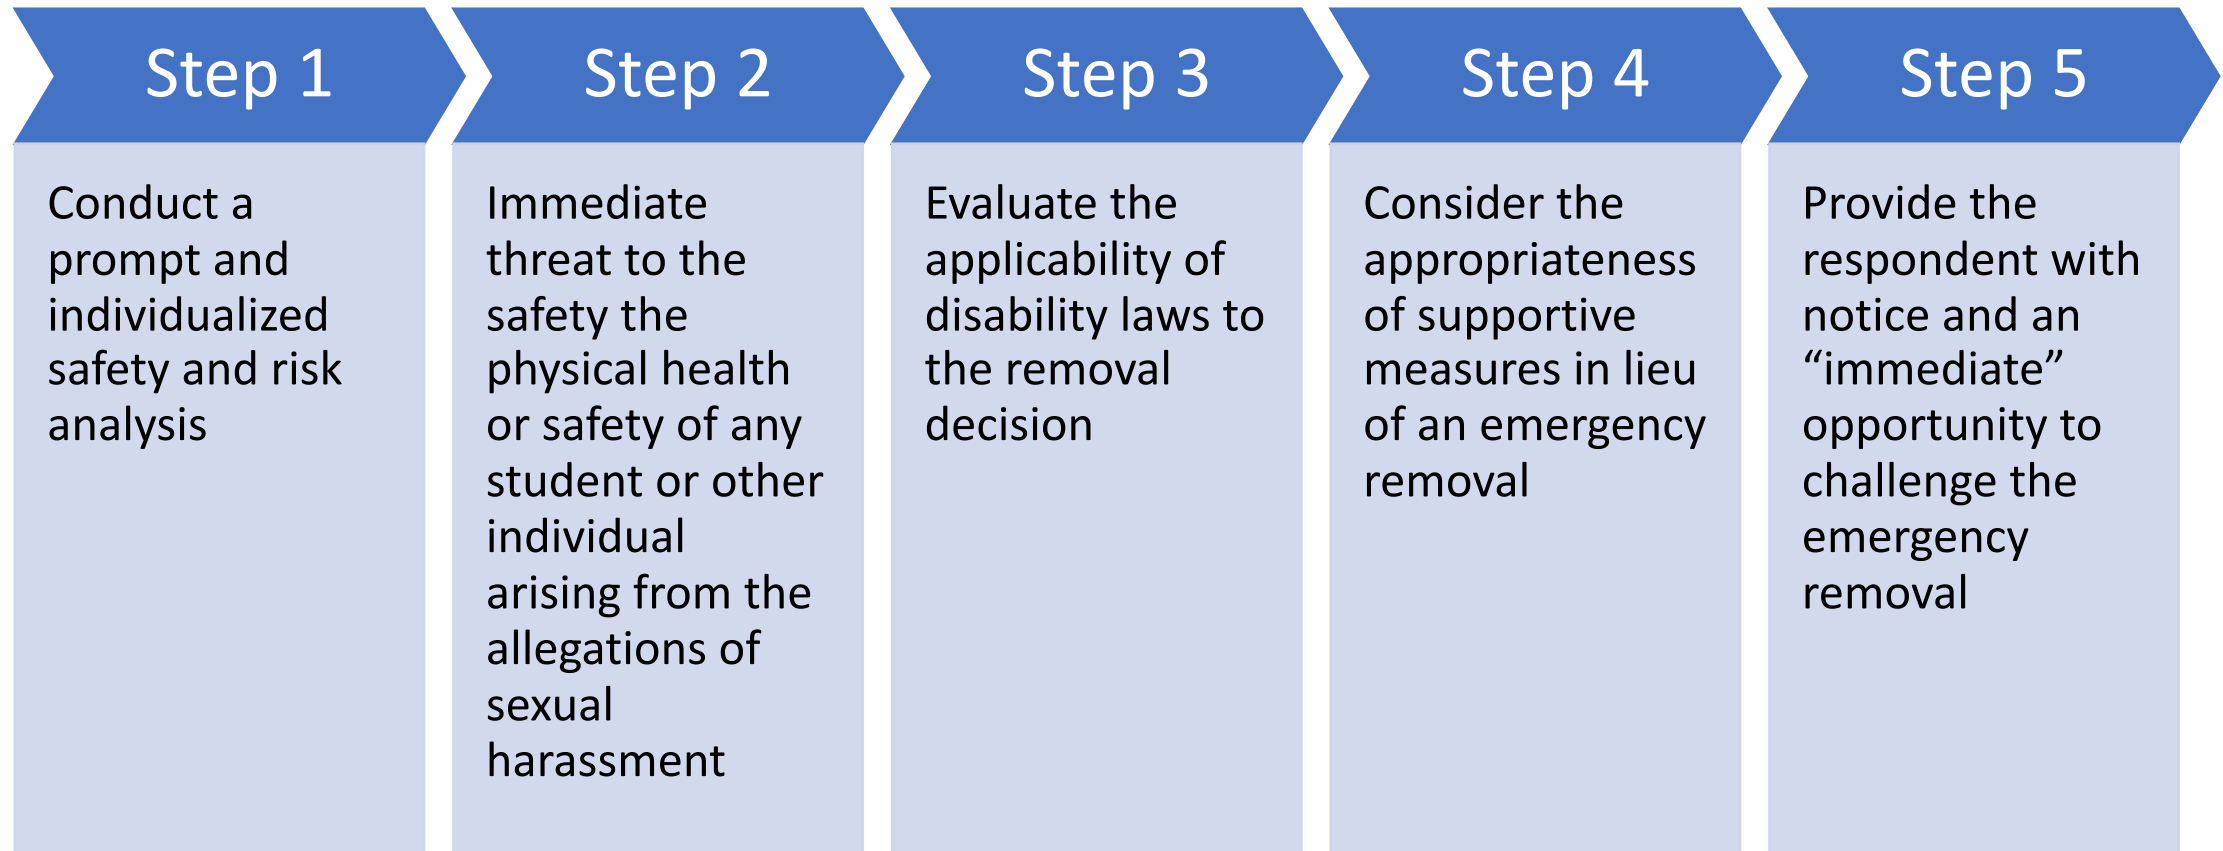

Permissive dismissal

- Complainant notifies Title IX Coordinator in writing that Complainant would like to withdraw formal complaint or allegations
- Respondent is no longer enrolled or employed by school district
- Specific circumstances prevent the school district from gathering evidence sufficient to reach a determination

Exercise 2 -Does the School Have Jurisdiction?

GP: Emergency Removal Procedure

GP: Supportive Measures

- Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent and are designed to restore or preserve equal access to the District's education programs or activities without unreasonably burdening either party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment

GP: Offer of Formal Process

- Complainant offered formal process
- Complainant must file and request an investigation
- Wishes of complainant are to be respected

GP: No Formal Complaint Filed

Title IX Coordinator may
decide to proceed with
investigation

Title IX Coordinator does not
become Complainant

Exercise 3 – Removal, Supportive Measures, and District-Initiated Investigation

GP: Informal Resolution

- Trained facilitators
- Offered after formal complaint is filed
- Process must be detailed in writing
- Described to both parties
- Parties agree in writing
- Either party may end informal resolution before a formal agreement is accepted
- **Never** available when complainant is student and respondent is employee

Formal Complaint Process

GP: Receipt of Formal Complaint

Other

**SEE SOMETHING?
SAY SOMETHING!**

GP: Notice of Allegations

- Detailed allegations against respondent
- Supportive measures offered to respondent
- No supportive measure can appear disciplinary

GP: Separate Investigator and Decision-Makers

- Title IX Coordinator may serve as investigator
- Title IX Coordinator may NOT serve as decision-maker to determine policy violation and discipline
- Hearing panels permitted for K-12s but not required

GP: Investigation

- Investigation gathers relevant and irrelevant information
- All information must be shared with both parties
- Parties have ability to review investigation report and outcome, provide comments/written questions and provide answers and limited follow-up

GP: Burden of Proof

- Preponderance of the evidence
- Clear and convincing

- Decision-maker must determine:
 - Policy violation
 - Discipline
- In K-12, discipline decisions against students with disabilities may require a manifestation determination
 - A **Manifestation Determination** is a process, required by the Individuals With Disabilities Education Act (IDEA 2004), which is conducted when considering the exclusion of a student with a disability that constitutes a change of placement

Procedural irregularity in the Title IX grievance process affected the outcome;

Newly discovered evidence that was not reasonably available at the time of the determination of responsibility or dismissal that could affect the outcome; or

Due to a bias or conflict of interest by the Title IX Coordinator, investigator, or decision-maker that affected the outcome.

Exercise 4: Title IX Intake

Avoiding Running Afoul of Title IX

Impartiality

- Be neutral – neither pro-Complainant nor pro-Respondent
- Consider the evidence as presented
- Confront and understand bias and not allow it to impact decision
- Maintain open mind as to the potential conclusions

- “A fixed, over generalized belief about a particular group or class of people.”
(Cardwell, 1996)
- Stereotypes around sexual assault
- Stereotypes around sexual harassment
- Complainant and Respondent

- Conscious/Explicit
 - Discriminatory intent
 - Stated preferences
- Unconscious/Implicit
 - For the most part, most people are unaware of these drivers
 - Developed over a period time and can influence many factors in hearing
 - Short cuts developed by the brain often play a role in:
 - Immediate response to conflict
 - Often mimics fear responses

- Many Title IX causes of action involve trauma
- Title IX Coordinators should understand the impact of trauma on:
 - Reaction to trauma
 - Ability to capture memories
 - Recollection of memories
- Expectations around trauma victim
